## **BeefEx 2008**

The Australian Lot Feeders Association is delighted to launch BeefEx 2008 – to take place at Royal Pines Resort, Gold Coast from October 7-9.

Since the decision to return BeefEx to its status as a biennial event, ALFA has been better able to deliver a forum of genuine innovation (a lot happens in the space of two years); relevant and inspired programming and an unprecedented opportunity for industry networking.

Our vision for BeefEx 2008 is that:

- We aspire to attract up to 600 delegates
- We will cater for partners by incorporating relevant and information/entertaining segments concurrently to the main BeefEx program
- Programming will be structured to consider both large and small feedlots and both corporate and family owned
- We will provide quality entertainment to ensure “wow” factors and “memorable moments” – probably even more important during a period of challenging economics for lot feeders
- We will program with consideration to exhibitors and sponsors

With a theme of Opportunity through Adversity, the two-day program will comprise an excellent range of speakers both from within industry and outside, that will deliver an agenda inspired by current issues and challenges that is designed to inform and motivate “better” feedlot management in today’s environment.

Once again, with the assistance of our Corporate Members and BeefEx supporters and through our media Partner Rural Press, particular focus will be placed on bringing in the “new faces” including many of the smaller, family owned operations who may not have attended in the past, but whom in many cases got their first “look” at ALFA events via BeefWorks, which we conduct in the non-BeefEx years (2005, 2007)

BeefEx will once again be managed by Esther Price Promotions – a company that has developed an excellent relationship with our exhibitors and sponsors and who is well positioned to ensure your investment in BeefEx generates an appropriate return.

Exhibition opportunities are offered in the first round to all 2006 exhibitors and then within two weeks of that release date, the offer is broadened to whole of industry.

## NAVIGATING YOUR WAY THROUGH THIS DOCUMENT

- Pages 4-5 Covers exhibition logistics and opportunities
- Pages 6-10 – ***Are the most important. You need to complete and return all five pages***
- Page 11 – terms and conditions
- The site plan is provided in a separate attachment

# Exhibition Opportunities

The BeefEx 2008 exhibition has been expanded slightly and has the opportunity for six more companies to fill indoor booths than were available in 2006. Based on our current level of demand we anticipate there are more companies wanting indoor sites than there are sites available.

Sites will be sold strictly on a first-come first served basis. The process is:

1. Complete and fax your application to EPP
2. Immediately your application has been received we will contact you to acknowledge and discuss your booth or site placement.
3. An invoice will be raised and sent to you, with payment required by May 30.
4. The space will be considered "available" if payment is not received by that date.

## **Indoor Booths: \$3300 and includes**

- One complimentary full registration to BeefEx
- 3 x 1.2m booth with lighting, fascia board and power

*Please refer to the separate PDF site plan for positions*

## **Outdoor Site: \$1650 per company and Includes**

- One complimentary full registration to BeefEx
- Single phase power
- An area to be negotiated by as required in order to optimise the display of your equipment

## **Optional extras for outdoor exhibitors:**

- 3 x 3 marquee (suited to those who perhaps have missed out on an indoor booth and require protection/shade from the elements. **Price \$350**)
- Up-lighting to ensure your equipment is fully lit during the evenings (and thus clearly visible from most of the Royal Pines accommodation). We certainly recommend that the companies with large equipment go to this expense as several evening functions will be held around the equipment. **Price \$200 per up-light**

## EXHIBITOR REQUIREMENTS and INFORMATION

- Please complete this exhibition form and return it to us asap. Immediately we have received your form we will call you and discuss your booth allocation.
- Upon receipt of this form and confirmation of your booth, we will put the local events hire company in touch with you to discuss your booth/site requirements (trestles, tables, chairs, AV equipment, display cases etc).
- Indoor booths are 3 metres wide by 1 metre deep and include a velcro compatible shell-scheme and fascia board with company name.
- Out-door sites are within reason, able to be flexible in terms of size. No site-sharing is available, so the fee of \$1650 is *per company*, regardless of space utilised.
- 3 x 3 marquees are available for hire for any company missing out on an indoor booth and wanting to take advantage of the outdoor area.
- The IAP Innovation Award is only open to companies that have purchased a booth (or have a complimentary booth via their sponsorship).
- Forklifts are available for hire and will be on-charged to the exhibitor
- Information provided via the exhibitor's response slip on page 6 will be included in the exhibitor's information catalogue.
- Any other company members attending conference must purchase additional registrations (see attached form).
- ALFA is managing the accommodation requirements of all sponsors, exhibitors and delegates. In order to secure accommodation you will need to complete the accommodation section in this prospectus.

**WHAT NEXT:** You may need to complete up to five forms following:

1. Booth/Site application
2. Golf registration
3. Proceedings advertisement purchase
4. Accommodation application
5. Additional delegate purchases

No sponsorships or exhibitions are considered firm until payment is received.

## **TERMS AND CONDITIONS**

### **Insurance**

Participants shall be regarded as carrying their own risk for personal injury or loss of property, including display equipment, during the BeefEx Conference. We strongly recommend that sponsors and exhibitors carry a comprehensive insurance policy. Neither the Australian Lot Feeders Association or the conference organisers are responsible for any claims concerning insurance.

### **Disclaimer**

Every effort is made to ensure that the contents of this sponsorship document are correct. ALFA and the organisers retain the right to make changes where necessary. ALFA and the Conference Organisers will not accept liability for any damages of any nature sustained by participants or their accompanying persons or loss or damage to their personal property as a result of BeefEx

### **Cancellation/Refunds**

A full refund on room accommodation payments is available to any sponsor or exhibitor wishing to cancel accommodation room requirements up to and including August 30.

In the event of any exhibitor wishing to cancel purchased booth space, a refund less a \$150 administration fee, will be available up to and including August 30. Refunds on cancellations received after this time will only be provided if the booth space can be re-sold.

**The completed form (PAGES 6-10 INCLUSIVE) must be returned by fax or email to
